ADDITIONAL INFORMATION FROM BREEDER

Shelby is 5 years old, weighs approx. 60 lbs, and is dark Gold in colour. She is friendly, sweet, affectionate and a lover of all things. Her temperament is beyond reproach. Shelby also possesses a comical side and never ceases to make me laugh.

Shelby is a highly accomplished hunting companion, excelling in Upland as well as Waterfowl Hunting Disciplines. She has proven herself in Hunt Tests and Working Certificate Tests and is currently training for her Master Hunt Title in Canada.

Added to the hunting side of things, Shelby is also an exceptional Sporting Scent Detection Dog and titled in her first Trial after minimal training.

She is high drive, biddable, birdy and has an off switch.

In May of 2020 Shelby whelped her first litter and produced 9 females. She possesses a strong mothering instinct and cared for her girls and taught them well. She made it look easy.
