While not even a year old yet, Maple, (Shelby X Topper pup), owned by our friend, David Gunson, is an up and comer here at Tealgrove. Our hopes are to breed Maple in 2022/23 once all Health Clearances are in, and we find the right boy for her. The search is on.

Maple is a doll. Sweet, loveable and pretty and easy. She loves everybody and everything. She is awesome with children and is incredibly gentle with her baby brother and nieces.

Maple has excelled in Puppy Class and Grade 1 Obedience. She is currently training for field and possesses great drive, birdiness and focus. She is smart, marks extraordinarily well, shows courage and determination. She had her first real life hunting experience this year and nailed it. We are very excited about Maple and what she brings to our breeding program.
